

A GREAT PLACE TO CALL HOME

Huskamp Haven offers a refreshing option for retirement living—all the comforts of home without many of the hassles. Our 16-unit facility offers a blend of independence and support for those individuals who can live on their own with just a little help.

We've designed this unique residence for that segment of the population that requires some assistance but not full-time nursing care. Convenience and affordability, coupled with a variety of activities and support services, are the advantages of living at Huskamp Haven.

Included with your apartment are: 24-hour staffing, recreational activities, weekly housekeeping and laundry services, three meals prepared daily, an emergency call system and scheduled transportation. Both residents and their guests will appreciate our inviting, beautiful, park-like décor and setting.

HEALTHFUL LIVING

Wellness monitoring is provided on a regular basis. This will help address residents' health concerns and determine if more intensive services are needed.

A Registered Nurse supervises health-care and nursing needs, while our 24-hour trained staff is on hand to help you.

Your plan of care is tailored to your needs. Huskamp Haven is licensed by the Iowa Department of Inspections and Appeals.

Residents may also contract for home health services.
